

NAC 444.280 Bathers: Requirements; prohibitions. ([NRS 439.200](#), [444.070](#))

1. All bathers at a public bathing or swimming facility shall take a cleansing shower using warm water and soap and shall thoroughly rinse off all soap suds before entering or reentering the pool enclosure.
2. Persons not dressed for bathing must not be allowed in the pool.
3. Persons suffering from colds, fever, coughs, sore or inflamed eyes, any skin disease or any communicable disease or open sores or bandages must be excluded from the facility.
4. Spitting, soiling, or in any way contaminating the water, walkways, or dressing room floors in the facility must be prohibited.
5. Except as otherwise provided in [NAC 444.288](#), eating, drinking and smoking within the pool enclosure are prohibited.
6. Bringing or throwing into the water or onto walkways any objects that may in any way carry contamination, endanger safety of bathers or produce unsightliness must be prohibited.
7. No boisterous or rough play may be permitted in the water, on the walkways, diving boards, floors or platforms, or in the dressing rooms or showers.
8. Persons under the influence of liquor must not be permitted in or about the facility.
9. Public bathing or swimming facilities are for use of people only; animals must be excluded from the pool and enclosure.

[Bd. of Health, Public Bathing Places Reg. Art. 39 §§ 39.1-39.6, 39.8 & 39.9, eff. 5-21-74]—(NAC A 11-1-88)

NAC 444.282 Bathers: Failure to comply with rules and regulations. ([NRS 439.200](#), [444.070](#)) Any person who refuses to comply with any regulation governing a public bathing or swimming facility or any rule of that facility must be excluded from the premises, and the management shall promptly bring any action which may be necessary to prosecute or eject from the premises any such person.

[Bd. of Health, Public Bathing Places Reg. Art. 39 § 39.7, eff. 5-21-74]—(NAC A 11-1-88)

NAC 444.288 Food and drinks. ([NRS 439.200](#), [444.070](#)) Food or drinks are not permitted in a public bathing or swimming facility, except in the visitor area or in areas which have been approved by the health authority for food or drinks.

[Bd. of Health, Public Bathing Places Reg. Art. 40, eff. 5-21-74]—(NAC A 9-17-82; 11-1-88)
