

## **WEEKLY QUESTION AND ANSWER FOR NEVADA HOA INVOLVED INDIVIDUALS**

**Q:** Many contractors in Nevada are continually being fined for doing things outside of their licenses or totally without a proper license. What can we do to help protect our HOA's?

**A:** Going to the State of Nevada Contractors' Board website at the below address will answer a lot of your questions:

You can change the search to the name of the contractor by going to the first area. This site will show all disciplinary claims that have been made about them and what types of licenses they hold. Here is a cheat sheet where you can initially look up what type of license a service provider needs.

Always be safe and check them on the Contractor Board website.
