

WEEKLY QUESTION AND ANSWER FOR NEVADA HOA INVOLVED INDIVIDUALS

Q. What can we do about the cats that are continually roaming around our community, digging up gravel in our yard to poop, and causing other damage?

A. See the below codes for City of Henderson. Many people have contacted their city to pick up safe cages to trap animals coming on the their property and then returning them to their city Animal Control.

Henderson Municipal Code pertaining to the leash law reads:

7.08.020 - Animals at large. It shall be unlawful for any person having charge, custody or control of any animal to permit the same to be at large or trespass on the private premises of another, or to be on any public highway, street, alley, court, public ground, or unfenced lot. All animals must be confined to the owners' property or shall be on a leash when on any public property, any highway, street, alley, court, park, public ground, fenced lot or wash. Leash requirements do not apply to designated enclosed areas of animal parks or animals participating in sanctioned performance events.

If you live outside the City of Henderson, call either Clark County Animal Control 702-455-7710 or City of Las Vegas Animal Control 702-229-6444 or your local police department to report animals running at large.
